**Dear Barb,**

Please accept this letter to confirm that Lynn A. Brown, Architect completed a final inspection of the above project on March 9, 2010 and verifies that the project was completed as per the Architect's plans and specifications.

This is a very impressive project and a perfect example of what can be done with cooperation between all participants, including the Owner, the General Contractor and the City of Eagle Development Services.

I would like to personally thank Kelly for her creative vision and Mark Clark, the General Contractor and all of his sub-contractors, for a job well done.

Sincerely

**Lynn A. Brown**
