

To Whom it May Concern:

My wife and I have lived in our "Clark" home in Arrow Head Canyon for seven years. We have enjoyed this home and have been proud to show it off. It's very livable yet is great for entertaining and hosting guests.

Everybody that visits have noticed the attention to the quality and detail that went into building this home. Every room has been thought out to best serve us in our daily living, from the gourmet kitchen, master bed and bath, to the garage. It's beautiful, we feel very lucky to have chosen Mark Clark as our builder.

Mark's customer service has been out standing, he has handled any issues that have come up, including a minor roofing issue that popped up years after the sale. In this day and age that doesn't happen all the time.

If anyone is considering having any construction work done I would recommend strongly considering Mark Clark for the project. You will get fair pricing, and honest communication, we were very happy with the process.
